

# ENSURING MEANINGFUL OUTCOMES & SUSTAINABILITY

---

THE ROLE OF THE LIFESPAN RESPITE GRANTEE IN  
PROVIDING TECHNICAL ASSISTANCE TO LOCAL  
PROGRAMS

Facilitated by MaryJo Alimena Caruso, M.Ed.

# What do we want from our programs and partners?

---

- A stronger infrastructure of our state's respite system
- A sustainable system of care
- Local programs who have engaged in a strong implementation and outcome accountability effort yielding results that demonstrate impact and success
- A legacy for other programs or systems of care to carry forth
- All of the above (and more!)

# Strong Local Programs & Partners are vital to our State's respite story
