IDAHOANS ARE FAMILY CAREGIVERS

Across Idaho family caregivers give their hearts every day, helping their parents, spouses, children with disabilities and other loved ones stay at home.

Heart-ing Family Caregivers Across Idaho

I Heart Caregivers is a new initiative from AARP to recognize the contribution and dedication of America's silent army of family caregivers who perform a great labor of love every day: caring for aging parents, spouses, brothers, sisters, children with disabilities, aunts, uncles, friends and other loved ones so they can remain in their homes. Primary SHIP Goal

Redesign Idaho's healthcare delivery system to evolve from a fee-for-service, volume-based system to a value-based system of care that rewards improved health outcomes.

SHIP Supporting Goals

Goal 1: Transform primary care practices across the state into patient centered medical homes (PCMHs).

Goal 2: Improve care coordination through the use of electronic health records (EHRs) and health data connections among PCMHs and across the medical neighborhood.

Goal 3: Establish regional collaboratives to support the integration of each PCMH with the broader medical neighborhood.

Goal 4: Improve rural patient access to PCMH by developing virtual PCMHs.

Goal 5: Build a statewide data analytics system.

Goal 6: Align payment mechanisms across payers to transform payment methodology from volume to value.

Goal 7: Reduce healthcare costs.

IDAHO NO WRONG DOOR GRANT

Goal:

Establish a three year NWD strategic plan to address the gaps in access to Long Term Care Services and Support (LTSS) for Idaho seniors and people with disabilities through one No Wrong Door.

No Wrong Door Mission:

Empower people to make long term care (LTC) decisions by providing reliable resource information and person centered counseling through a network of community organizations.
