BUILDING THE FOUNDATION OF A STRATEGIC PLAN FOR RESPITE IN TEXAS
Purpose

The Texas Respite Coalition is a partner with the Texas Department of Aging and Disability Services (DADS) for the Lifespan Respite Care Program. The Coalition supports DADS in its goal to enhance and expand the coordination and availability of respite services in Texas.

The Texas Respite Coalition assists DADS in developing strategies to reduce barriers in accessing respite services, improve the quality of respite services, reach underserved populations, and provide training, education and support to family caregivers. The TRC provides a forum for collaboration and communication between a diverse group of stakeholders.

More than 27 members strong, the Coalition is broadly represented by family caregivers, respite providers, and members of the aging, disability and health services networks.

Greetings:

As Governor of Texas, I am pleased to welcome you to the first Texas Respite Summit.

Caring for an elderly, ill or disabled family member is an admirable and rewarding expression of love. More than 2.7 million Texans have taken on this role, dedicating much of their time and energy to ensuring the comfort and health of family members who cannot care for themselves.

While many Texans are fortunate to have the time and resources necessary to become caregivers, balancing those duties with existing personal and professional responsibilities can be a challenge. Fortunately, the State of Texas offers critical respite services that give caregivers a much-needed break while ensuring family members are provided for. From health care assistance and personal care to financial management education and counseling, there is sure to be something that will benefit Texas families.

As you gather to learn more about the resources available and strengthen your commitment to caring for Texans in need, I commend everyone participating today. Together, we can work toward a brighter future for all residents of our great state.

First Lady Anita Perry joins me in sending best wishes.

Sincerely,

Rick Perry
Governor

4:00 p.m. **Adjourn**
A Blessing for Caregivers

May the wellspring of compassion be opened in you as you reach out to care.

May tenderness bless you as you reach out to comfort body, mind and spirit.

In the midst of fear and frustration may courage be given to you.

When difficult decisions confront you, may wisdom inspire you.

May patience keep vigil with you and peace of mind calm you.

May your heart find a song to sing even when you are weary.

May abundant love lift you and gratitude bless you as you live the mission of care entrusted to you.

You have earned your wings.

Blessing by Sr. Pat Bergen, Congregation of St. Joseph
Special Thanks
