

YOUR LOGIC MODEL

Southwest NE Public Health Department 05/31/2016

What Do You Want to Sustain?	How Will You Measure Your Progress?
<p>VISION AND DESIRED RESULTS</p> <p>SW Service area has a well-developed system to support high-quality planned and emergency respite care across the lifespan of all families caring for a loved one at home, regardless of the family members' disability and/or chronic illness diagnosis, special needs, family circumstances and location within the service area.</p> <p>Desired Results:</p> <p>All age populations are aware of respite services.</p> <p>Increase number of eligible care recipients receiving respite subsidy.</p> <p>Increase of providers within SW service area to serve all age populations and within the rural areas.</p> <p>Increase of funding to family's receiving respite subsidy.</p> <p>Increase of funding to Network Service areas.</p> <p>Identify family caregivers who are grandparents providing the majority of care to children aged 17 or younger related to them by blood, marriage, or adoption to inform of respite resources.</p> <p>Employer Engagement Activities are expected to increase awareness of employee caregiver issues and provide respite resources to employers.</p>	<p>INDICATORS</p> <p>Increase by 25% FY 2016 baseline of local organizations who support data gathering, reporting and sharing via eLifespan Respite System Data Dashboard to perform necessary analytics.</p> <p>Increase eligibility to Respite Subsidy Program by 10% for FY 2016.</p> <p>Ensure messaging campaigns consider the cultural communities' preferred language, medium, messenger and style.</p> <p>Replicable and promising approaches to employer-specific portfolio of materials designed to inform businesses and provide resources to assist employees to better meet their personal responsibilities for caregiver while remaining productive in the workplace.</p> <p>Increase by 30% in the supply of appropriately trained Network-approved respite providers from the FY 2016 baseline.</p> <p>Increase the number of retained Network-approved providers by 15% over the FY 2016 baseline.</p> <p>Evidence of identifying culturally appropriate and skill-based education/training opportunities and promoting "Respite Provider Training and Events" calendar hosted on NRRS to disseminate throughout the state.</p>

<p>CONDITIONS AND CAUSES</p> <p>Lack of knowledge and/or awareness about what respite is, the benefits, how to obtain services, who to contact for respite services, confusion between the different respite services and how to access,</p> <p>Shortage of network approved providers in southwest service area.</p> <p>Need of trainings offered to Network approved respite providers in Nebraska.</p> <p>Events in rural areas are sporadic so outreach is challenging to reach caregivers and providers in the Southwest service area.</p>		<p>Offer REST trainings in southwest service area.</p> <p>Use public and university or college libraries to support family caregiver issues and disseminate information.</p> <p>Apply independently or collaboratively for local, state or national grant(s).</p>
--	--	---

STRATEGIES & ACTIVITIES		PERFORMANCE MEASURES
<p>Increase respite marketing and education by advisory board members.</p> <p>Continue building collaborations with respite partners to sustain respite vision.</p> <p>Develop and maintain marketing plan for social media.</p> <p>Postcards will be created and sent to providers of upcoming trainings and videos.</p> <p>Increase of care recipients receiving respite subsidy.</p> <p>Increase of trained respite providers in Southwest area.</p> <p>Board members will share respite education at meetings, conferences, etc.</p> <p>Respite Coordinator will attend meetings with respite partners.</p> <p>Continue partnerships with the local DHHS A&D Waiver and DD, Early Development Network, Centers of Independent Living and League of Human Dignity, Area Agency on Aging, Behavioral Health, and others by attending meetings.</p> <p>Target cultural diverse groups within southwest service area.</p> <p>Implement social marketing plan for caregivers and providers in the southwest service.</p> <p>Respite Resource packets will be created for employers to give to caregivers within the workplace.</p> <p>Research and Post U-Tube videos of trainings on web-site, Facebook and Twitter.</p>		<p>Increase of numbers in social media.</p> <p>Quarterly post cross system trainings on web-site, Facebook and Twitter.</p> <p>Businesses will receive a packet of respite materials to increase employment awareness. Lunch N Learn.</p> <p>Annual provider survey will be sent to provider.</p> <p>Returned provider survey's indicated providers do not feel informed so thus quarterly postcards will keep them knowledgeable of upcoming trainings.</p> <p>Four providers will be Network approved providers.</p> <p>Four providers will continue to be a Network approved provider.</p> <p>A statewide calendar for Provider and Caregiver trainings.</p> <p>Collaborate with local college to recruit respite providers</p> <p>Minimum of 12 trainings will be posted on social media 3 per quarter.</p> <p>Minimum of 4 providers will be recruited in becoming a provider for the Southwest Service area thru REST training.</p> <p>Minimum of 20 letters will be sent to local senior centers.</p> <p>Surveys will conducted and compiled to identify family caregivers who are grandparents in the southwest service area. This information will help to identify if more outreach is needed to older population.</p> <p>Increase of outreach of respite resources to CPS workers in the southwest service area to make referrals respite subsidy.</p>

<p>Continued collaboration with community partners by attending meetings and resource fairs to perform outreach to caregivers and providers in the Southwest Service area.</p> <p>REST Trainings will be added to the training calendar.</p> <p>REST trainings will be offered for providers and caregivers in Southwest service area.</p> <p>Research and post cross system training opportunities for providers.</p> <p>Send a letter out to all senior centers in the southwest service area asking if they would like to have a Respite presentation.</p> <p>Conduct a meeting with CPS workers in the southwest service area by presenting at a staff meeting.</p> <p>Attend an LB1184 meeting in the southwest service area to get respite resources out to the members of the LB1185 within the county.</p> <p>Send letters to all Head Starts within the southwest service area on information about respite and upcoming REST trainings.</p> <p>Send letters to para-educators within the southwest service area on respite and becoming network approved providers.</p> <p>Create Respite flyer which includes caregiving issues and facts about respite and then they will be sent to public libraries.</p> <p>Minimum of 2 grants will be researched.</p>	<p>Increase outreach efforts to LB1184 members including but not limited to school officials, probation, HHS, police officers, etc.</p> <p>Increase of outreach to Head Start about respite resources and REST trainings. Sending information to Head Start about respite will hopefully increase numbers on respite subsidy and attend REST trainings.</p> <p>Increase of outreach of respite to para-educators and network approved providers.</p> <p>Increase of awareness of caregiver issues to community members within 18 counties. With this an increase by 20% of contacts made on eLR in FY16 of 388 to 466 in FY17.</p> <p>Increase of funding for southwest service area to support respite activities.</p>
