The messages most highly rated by grantees:

*Your care may be super, but you’re only human.*

*It’s okay to need it, it’s okay to want it, it’s okay to get it.*

*Self-care is not selfish. There is only one you.*

*Caring for caregivers.*

*Refresh. Recharge. Respite.*

*Caregiving. You can’t pour from an empty cup. Receive Respite so you can fill up.*

**Good idea:** Insert #Respite after your tagline/message.

**And additional messages to refine or consider:**

- Take a break to rejuvenate.
